

MSR COUNCIL MATTERS

August 2010

BCMC 2010 Update

Have you decided that you'll attend this year's Building Component Manufacturers Conference (BCMC) in Charlotte, NC? Are you still on the fence about going? MSRLPC encourages you to attend!

Participating in the BCMC show will be our largest event of 2010. Having a booth in Charlotte will allow us to interact face-to-face with our customers and potential customers in a setting that encourages everyone to consider overall industry issues and where we are heading.

In addition to the feedback we'll receive at our booth, MSRLPC and SBCA will be holding our second Focus Group discussion on lumber issues at **4 pm on Wednesday, Sept 29.**

Four companies have signed up to assist with our booth, but we still have room for more. The volunteers staffing the booth so far are:

- iLevel by Weyerhaeuser
- Metriguard, Inc.
- Tolleson Lumber Co., Inc.
- Vaagen Brothers Lumber, Inc.

If you would like to participate at the booth, please reply to [Anna](mailto:anna@msrlumber.org) (608/310-6719) – thank you!

Call for Nominations

The annual elections for our Board of Directors will be held in October.

If you would like to nominate an individual to serve on the MSRLPC Board, please send your nomination to info@msrlumber.org.

Board members are asked to participate in our bi-monthly meetings to assist in decision-making and provide guidance to our association. Regular member terms are three years. Associate member terms are one year. Please submit your nomination(s) by **September 24, 2010.**

The Regular Member Directors whose seats are up for renewal are:

- John Branstetter, Vaagen Brothers Lumber Inc., Colville, WA
- Joe Castleberry, Beadles Lumber Company, Moultrie, GA
- Stacy Tiefenbach, Canfor Wood Products Marketing, Vancouver, BC

The Associate Member Directors whose seats are up for renewal are:

- Griffin Jones, Canadian Engineered Wood Products Ltd., Sidney, BC
- Craig Stuart, Lignum Forest Products LLP, Vancouver, BC
